PARTICULARISM.
Further proof of the growth of particularism in Bavaria is found in the fact that a distinctly Bavarian party to represent the existing parties is now in process of formation. The new party, which is encouraged by the Bavarian premier, Von Crailsheim, commences operations during the coming autumn.

COURT MARTIAL POSTPONED.
Assassin of Canovas Will Know His Fate Monday Night.

Madrid, Aug. 14.—The court martial on Angiolillo, the assassin of Premier Canovas, which was to have commenced at Vergara today, will not open until Monday night. The court will be presided over by a colonel of artillery. The public prosecutor, who went to San Sebastian to collect evidence against the prisoner, has not yet returned.

Madrid, Aug. 14.—The Imperialist correspondent at Vergara reports that when Angiolillo or Goll, the assassin of Premier Canovas Del Castillo, was arranged today before the military judge, he refused to choose counsel, and the judge appointed Lieutenant Corra of the artillery, to defend him. Lieutenant Corra accepted and will make the defense of insanity. The judge read the charges on which Angiolillo was arraigned. During the reading he was frequently interrupted by the prisoner by the remark:

"Only the son d'amarre arrested me. The civilians all fled except the old man."

A Dominican friar named Augustin has held several conversations with Angiolillo in an endeavor to effect his conversion. The prisoner, however, parries all the ministrations of the friar and persistently demands proofs of the existence of a God.

It is reported that he will be garroted as a common criminal, instead of being shot.

A large force of soldiers have assembled at Vergara to protect the court.

The Imperialist publishes an interview with Angiolillo in which the latter asserts that the assassination of President Faure of France had not been suggested. The only persons whose deaths had been decreed were Premier Canovas, for torturing anarchists in the Mont Juich prison, and General Polavieja, for ordering the execution of Dr. Rizal, leader of the insurgents in the Philippine Islands. Angiolillo appears to be deeply interested in the newspaper comments upon his crime, and makes frequent complaints that the journalists do not visit him.

ORLEANS-TURIN DUEL.
Likely to Take Place Monday Somewhere Outside of Paris.

Paris, Aug. 14.—The seconds of Prince Henry of Orleans and the Count of Turin, Count de Leonville and M. Roul Mouchon, and the Count de Quinto and Marquis Giori, had another conference this morning relative to the time and place for the duel which is to be fought between the prince and the count. It was stated that swords would be the weapons and it was further reported that the encounter would take place at Chantilly, or else at Fontainebleau. The conditions of the duel were said to be severe.

Paris, Aug. 14.—Late this evening it was generally understood that the duel between the count of Turin and Prince Henry of Orleans would take place on Monday next outside of Paris and that swords would be the weapons used.

London, Aug. 14.—A special dispatch from Paris received late tonight, says a sensational rumor is being circulated there that Prince Henry of Orleans will fight his duel with the prince of Naples, the count of Turin having waived his claims in favor of the her to the Italian throne.

The Sir asserts that the count of Turin, who arrived in Paris tonight, was informed by the Italian ambassador to France that King Humbert would prohibit him from fighting Prince Henry.

McKINLEY'S QUIET DAY.
He Sends Hobart and Alger to Review the Troops for Him.

Bluff Point, N. Y., Aug. 14.—Having no traveling engagements, President McKinley spent the day quietly at Hotel Champlain. Troops were reviewed by Secretary of War Alger and Vice President Hobart, the president looking on from his own balcony. Secretary of the Interior Hilg and Postmaster General Gary were the day's accessories. In company with the officials here and their wives, they dined the president and Mrs. McKinley, the party not breaking up until late. At 7 o'clock, Mrs. McKinley received the wives of the officers of the Twenty-first regiment.

However, Black and white congressmen who arrived at the hotel Thursday night to pay their respects to the president, left for the south this morning.

The men who say that they are made of tough stuff and can stand anything, generally find that death is made of tougher stuff and are found in a coffin at an age when they should be doing their best and most useful work. It is time enough for a man to brag about his toughness when he has reached a ripe old age. The men who live long lives are the ones who take care of their health in youth and maturity. They realize the truth of the old saying that "a stitch in time saves nine." The ones who don't do this die of nervous prostration, heart failure, and consumption.

The best of all health-restorers and health preservers is Dr. Pierce's Golden Medical Discovery. It cures 90 per cent. of all cases of consumption. It wards off nervous troubles and wasting diseases. It corrects all disorders of the digestion, invigorates the liver and restores the appetite. It fills the arteries with the pure, rich, red blood of health. It tears down and carries off old, inert and half-dead tissues and replaces them with new, healthy, elastic flesh. It makes the muscles strong and elastic and steadies and tones the nerves. It cures debility and weakness of every description. It is the product of the life-time experience and study of an eminent and skillful specialist, Dr. R. V. Pierce, for thirty years chief consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. Thousands of men and women have testified to its virtues. Druggists sell it.

There is nothing in the world "just as good" as this medicine as druggists will sometimes say so for the sake of the greater profit to be made upon the inferior article.

POINTER PULLS OUT

LOWERS HIS OWN RECORD ALMOST A SECOND.

Accompanied by a Runner He Goes the Mile in 2:01.54, and Comes Down Nightly Close to Mighty Good Company—Tremendous Enthusiasm Greets the Feet at the Fort Erie Track—Zimmerman Disappoints Cyclodrom at St. Louis—National Circuit Bike Races—Regatta at Philadelphia—News of Sport.

Buffalo, N. Y., Aug. 14.—At the Fort Erie track today Star Pointer paced a mile in 2:01.54, breaking his previous record of 2:02.12, by nearly a second.

Star Pointer first came on at 4:30 o'clock, and was given a warning up mile, which was made in 2:04.34. At 6 o'clock the great pacer again made his appearance, accompanied by a runner. On the second break McClary nodded for the word and the record breaking trial began. The quarter was reached in 31.14 and the half in 1:01.14. Then the runner moved up a pit and Pointer let out a link. The time at the three-quarters was 1:31, and down the stretch the pair flew. McClary sat as quiet as a mouse, while his horse continued to increase its speed every second. When the announcement was made that the mile had been covered in 2:01.54 the enthusiasm of the 5,000 spectators broke forth into repeated cheers for both horse and driver.

In the 2:00 pacing event, Guinette broke the Canadian competitive record and the track record, going the mile in 2:06.12 in the third heat. Her time was 2:06 and 2:07.14. Lottie Loraine was second and Pearl Little.

National Circuit Bicycle Races.
New York, Aug. 14.—Between five and six thousand people attended the national circuit bicycle meet, under the management of the Atlantic wheelmen, at Waverly Park track, Waverly, N. Y., this afternoon. Among the professionals who were present were Bald, Cooper, Kiser, Mertens, Butler, Starbuck, Gardner, Oldfield and Kimble.

Thirty-five men started in the five-mile handicap for professionals, and after the first mile two of them dropped out. Mertens, Butler, Starbuck and Gardner were the scratch men. Nat Butler won from Becker of Minneapolis, who was on the 100 yard mark by a half wheel.

The one mile open for professionals was won by E. C. Bald, who made one of his wonderful finishes, beating Mertens by a wheel.

Kiser did not start in any of the events as he was suffering from a severe cold.

The one-third mile amateur national championship was won by E. W. Peabody, Chicago. Time 42.15.

One mile, open professional: Won by E. C. Bald, Buffalo; A. C. Mertens, Minneapolis, second; Arthur Gardner, Chicago, third; Tom Cooper, Detroit, fourth. Time 2:08.14.

One mile, open amateur: Final heat won by I. A. Powell, New York. Time 2:17.15.

Five-mile handicap, professional: Won by Nat Butler, Cambridgeport, Mass., scratch; W. E. Becker, Minneapolis, 100 yards, second; Arthur Gardner, Chicago, scratch, third; B. Oldfield, Toledo, 150 yards, fourth. Time 11:21.15.

Bicycle Races at St. Louis.

St. Louis, Mo., Aug. 14.—The initial bicycle race meeting at South Side Park today, by the United Wheeling clubs of St. Louis, a new organization, was a success. A. A. Zimmerman, the ex-champion, had much to do with drawing out the crowd, which numbered between 5,000 and 6,000 people.

Zimmerman, the star of the program, was a disappointment, however. Paced by Stille, Harding and Corfe on a triplet, Zimmerman went for an exhibition half mile. He rode in 56. Canfield, a local amateur, well paced by a triplet ridden by amateurs, went against the star half-mile record of 57 seconds. He clipped off two seconds.

Zimmerman was better paced in his exhibition mile. He rode behind a triplet and a tandem, and made the mile in 1:50. Canfield attempted to break the half-mile amateur record, but failed by one second.

There were only two professional events. In the mile open, professional, E. E. Anderson of Roodhouse, Ill., finished first. Dute Cabanne protested the race. His ground was that the pacemaker was distracted to keep the rail, but on one turn he rode the outside and carried Cabanne, who was riding behind, out with him. Cabanne argued that he would have won had it not been for this. The referee allowed the protest to stand and called it no race. Anderson refused to ride it over and gave notice that he would take the matter to the L. A. W. racing board.

The two-mile handicap was won by Bert Harding, a local man. E. E. Anderson, who was entered, refused to ride, and "Dute" Cabanne quit after three laps. The amateur events were run in good time. Summaries:

Mile, open, professional: E. E. Anderson, Roodhouse, Ill., won; Louis E. Caburn, St. Louis, second; N. P. Rice, Chicago, third. Time 2:11.15.

Two-mile handicap, professional: Bert Harding, 133 yards, won; Ernie Stale, 137 yards, second; Louis Caburn, 90 yards, third. Time 4:41.

Long List of New Cycle Records.
Boston, Aug. 14.—At Charles River park today, Eddie McDuffie established a new world's record for a paced mile, flying start, at 1 minute 28.15 seconds, lowering the existing record, held by W. W. Hamilton, by one second. Jimmy Michaels and his American hour record are also beaten, and standing where Michael recently stood is Lieben Lissa, with a bunch of records containing all American marks from 11 to 36 miles and also the American hour record.

McDuffie was paced by a sextuple and a quintette, while Lissa's pacing team consisted of eighteen men divided into four squads of two squads and two quintettes.
